Arenac County Historical Society Preserving The Heritage of Arenac County, Michigan

#### A MESSAGE FROM YOUR PRESIDENT

As 2018 closes and a new year begins, we at the Arenac County Historical Society have completed a lot of work on our buildings and we will have so much more to do. We own two of some of the oldest buildings in our county, the museum in Au Gres and Ye Olde Courthouse in Omer. Old buildings require a lot of work and an enormous amount of maintenance. We seem to complete a project and another one arises. It really is ok because we are committed to saving the history of Arenac County. Whether it is buildings, books, records, or artifacts, we will continue to preserve them for the public to enjoy. We will continue having programs, junque sales, book and rada knife sales and anything we need to do to keep our organization going. We always appreciate volunteers. They are such a help getting things done for both of our buildings. If you would like to help or know of someone who has free time who would be willing to donate some time, I have a list of things needing to be done that is longer than Santa's. Oh where should we begin? Please feel free to contact us if you or anyone else would like to help. I would also like to send a huge Thank You for the donations we receive. Every little bit helps. Please feel free to donate anytime. It helps such a worthy cause!!!

We hope you have had a good and prosperous year. As the new year begins, we look forward to seeing you again. We will be having programs throughout the summer at the museum and at Ye Olde Courthouse in the fall. Look for flyers and advertisements on our website and Facebook. You never know when you may find that perfect piece of junque at a sale or hear about a program that sounds like you wouldn't like to miss. Arenac County and our great state of Michigan have so much history for us to learn about. Don't miss out!!!!!!!!!!! Some of it is serious and some of it is "hold your sides" funny. I have heard recently some old folk tales that made me laugh till I lost my senses. Please join us next year, visit the museum on the 2<sup>nd</sup> and 4<sup>th</sup> Saturdays of the summer months. If that doesn't work for you, we can work out another convenient time. We also do group tours. For example we have school groups, girl and boy scout groups, and other organizations who set up a time to visit our museum and our courthouse. There is a lot to see and learn about. By the way you can visit our website at www.arenachistory.org The site will look the same, but the name will be easier to remember.

We hope you had a Merry Christmas and a Happy New Year. May God continue to bless us and guide us through this wonderful life He has given us.

Sandy Proulx-President

### Ye Olde Courthouse/Masonic Hall

The Ye Olde Courthouse Committee is relaxing a little after a very busy year while our electrical rewiring project is being done. Over the last three years we have stabilized our foundation, replaced the widows, painted the exterior, replaced the front porch and re-homed our bats. Our last major project is to completely re-wire the building. The grant from the John and Catherine Maser Historic Preservation Fund of the Bay Area Community Foundation for \$6,000.00, the hard work of our committee and the generosity of our donors has enabled us to complete this project. Our wiring was very old and we were concerned about the possibility of losing this historical structure and our extensive collection of pictures and documents to fire. We have purchased new light fixtures to add to this upgrade and added several additional outlets. Our committee is planning an open house this summer to celebrate these accomplishments and thank our donors.

Independent Bank held a community service day in October. Eleven Independent Bank staff members cleaned the upstairs, dusted all the pictures and railings, washed the staircase, cleaned floors and the bathroom. They did a great job and surprised us with a check for \$1,000.00. Many thanks for all their help and generosity.

The Masons have rented from us for several years but are now combining with the Gladwin Masons and will meet in Gladwin. We have enjoyed our relationship with them and will miss them.

Our furnace quit just before our Christmas events. The heat exchanger was cracked so it was necessary to replace it. Thanks to Meihls Mechanical who loaned us a patio heater until they could schedule replacing the furnace, we were able to hold our Christmas Junque Sale. They installed our new furnace in time for our Christmas Greens and Bake Sale.

Phyllis Klender applied to the Arenac Fund of the Bay Area Community Foundation for a portable PA system. We were awarded the grant and the system was purchased in time for the Arenac Fund Annual Auction. This system will be available for use at our ACHS programs and for other events in the community.

#### THANK YOU, ARENAC FUND!

Thanks to everyone who helped with our Christmas fundraisers. Our Christmas Junque Sale totaled over \$ 1,105.00 and the fresh greens prepared by Phyllis Klender and her talented group of decorators netted over \$ 950.00. We sold \$ 512.00 in baked goods, thanks to our wonderful Omer Bakers.

The following are the totals for our income in 2018:

Junque Sales,	\$ 10,786.32	E Bay \$ 1,317.48
Bake Sales	\$ 2,403.10	Donations \$ 2,849.25
Memorials	\$ 965.00	Pennies \$36.30
Book	\$ 20.00	Miscellaneous \$87.36
<b>Building rent</b>	\$ 1,895.00	Grants \$ 5,216.00

Thanks to everyone for making 2018 a success!

We were issued a "Challenge Grant" by an anonymous donor for up to \$ 1,000.00 to our Ye Olde Courthouse Designated Fund with the Bay Area Community Foundation. Thanks to our generous friends we were able to meet this challenge. \$ 2,000.00 will be added to our fund that provides for the financial future of the Courthouse. Thank you, Anonymous Donor!

Our committee is planning events for 2019. We will resume our monthly pot luck dinners in February and are scheduling a Junque Sale for March. Our next project will be some badly needed interior painting and some small renovations to the kitchen.

The Courthouse Committee meets on the second Friday of the month a 9:30 a.m. at the courthouse. You may contact any committee member for information or questions.

From the Bay City Evening Press, July 3, 1880 (Arenac County was then a part of Bay County) Au Gres boasts of 315 inhabitants.

Arenac brags of 578 inhabitants, 75 houses, 75 families, but is sick and sorry over the fact that 9 persons died during the census year and only 7 born.

Whitney is jubliant over a population of 230 with 34 houses, 34 families, not a death and 3 births.

It will be seen by this report that the people of these townships believe in living alone, and there is but one family allotted to each house.

That's right. God never intended men and women and children to huddle together like rats and mice.

#### March 12, 1930

The Plymouth car prices have been cut \$65.00. With prices now ranging from \$590, to \$675. The cars are in direct competition with the Ford, Chevrolet, and Whippet.

#### August 18, 1921

The D&M Railroad is building a new trestie bridge across the river at Au Gres, and plans to extend the spur to Alabaster.

# Arenac Heritage Route Authority Standish Historical Depot

The year 2018 was an exciting and successful year for the Standish Historical Depot, Our Summer Concert Series was very well attended and the Model A & Model T Car Show brought some beautiful restored cars and a great group of people to our area. Many families enjoyed Depot Days. The carnival rides, horse drawn rides, the petting zoo, silent auction, the cooking and baking contests were all part of the success and entertainment experienced by all who attended. The Farmer's Market which was organized by the Standish Gateway Destination Group and held on the Depot grounds brought our local people and travelers who took advantage of the opportunity to purchase locally grown fresh produce and baked goods. The Santa Parade and lighting of the Depot on November 23rd was the beginning of the Christmas season at the Depot. A very large group of volunteers decorated our grounds and buildings to prepare for our events. The Santa Parade exceeded our expectations and plans are underway for this year's parade and lighting. The Standish Downtown Development Authority purchased a large snowman and snowflakes which was a very popular display. (They also purchased the lighted garlands for the lampposts.) Our parade spectators took the opportunity to visit with Santa after the parade and enjoy hot chocolate and cookies with us.

On December 1<sup>st</sup> the Lake State Santa Train arrived at the Depot. Santa came to town on the front of the Lake State engine. Mrs. Claus was aboard as well as several storybook characters to the delight of the children. The families took the opportunity to board the train and visit with Santa and Mrs. Claus. We even had our own Grinch adding to our festivities. We provided donut holes and cider for our visitors. The Depot Committee and the Gateway Standish Destination group are working with Lake State on plans for this year's Santa Train. (There are YouTube videos on the train you may view by searching Lake State Santa Train.)

All of these community events would not be possible without the support of our wonderful sponsors and our dedicated volunteers.

The Depot has been collecting Direct Your Dollars cash register receipts for the Spartan Nash Family Fare community fundraiser. We are pleased to announce we have reached our goal of \$150,000 in receipts. These have been turned in to Family Fare and we are anxiously waiting to be notified of the award of \$1,000.00. Many thanks to all of the groups, businesses and individuals who have been collecting these receipts for us. We will continue to collect these receipts as long as this program is in effect.

Thanks to a grant from the John and Catherine Maser Historic Preservation Fund of the Bay Area Community Foundation we have completed several repairs to our buildings and grounds this year. Our ground lights have been replaced and receptacles added, the repair to the soffit and the south end of the Depot has been completed and all of the red trim has been painted. We received a grant from the Arenac Fund to purchase a laptop. Our computer is around 12 years old so we are very thankful for this upgrade. Many thanks to all of the volunteers on the Arenac Fund who work so hard for our community. Other improvements this year included painting the bandstand.

We received an e mail from a gentleman from Wyoming who restores railroad cars and saw our English Passenger Cars online. They are MK1 cars and he plans to prepare a quote to restore them. He was happy to learn that we had water sealed the windows this year because that is a major problem with the MK1's.

The Depot board continues to meet with Bill Ernat from EMCOG and Spicer Engineering on plans for the rail trail which will be part of the Iron Belle through Michigan.

Visit our Facebook page, our website, and information in the Arenac County Independent for our activities and events for 2019. We are scheduling entertainers for our Summer Concert Series, advertising has gone out for the Model A & Model T Car Show (July 13<sup>th</sup>) and Depot Days is set for October 5<sup>th</sup> & 6<sup>th</sup>,

The Arenac Heritage Route meets on the first Monday of the month at 7 p.m. at the Standish Historical Depot. This is an open meeting and all are welcome to attend.

-Brenda Matt, Depot Representative
